

Identification of Substance

Product Name: Diluent
 Synonyms: Diluent of Hematology Reagent
 Catalogue Number: 8540NK
 Manufacturer: Lab Vision.
 NO.13 jurf industrial zone 1,Ajman , UAE.
 Emergency Call: 00971567618420

Composition and Information on Ingredients

Active Ingredients: Sodium Chloride<1%
 Wetting Agent<0.1%

Hazardous Identification

Potential Health Effect Liquid. Odorless. Nonflammable. Irritation of eyes and mucous membrane may be resulted in by contact.
 Product Hazard Classifications EU US OSHA WHMIS
 None Yes Exempt
 Reactivity Minima risk

First Aid Measures

Ingestion Call physician for medical attention if the product is taken internally. Do not attempt to induce vomiting, or to give any solid or liquid by mouth if the exposed subject is unconscious or semi-conscious.
 Inhalation Remove exposed individual to fresh air. If irritation or signs of toxicity occur, seek medical advice immediately.
 Skin Contact Wash the skin area with soap and water. Rinse with copious amount of water.
 Eye Contact Wash immediately with clean and flowing water. Continue for at least 15 minutes. Obtain medical advice if pain or irritation occurs.

Fire-fighting Measures

Fire and Explosion Hazard Not applicable
 Extinguishing Media Use extinguishing media for surrounding fire.
 Special Fire and No special hazards
 Explosion Hazard
 Hazardous Combustion Products No combustion products posing significant hazards are expected from this product.
 Protective Equipment Self-contained breathing apparatus and full protective equipment are recommended for firefighters.
 for Firefighters

Accidental Release Measures

Personal Precautions	Use good laboratory procedures
Clean-up Methods	Wipe up spill and place in containers suitable for disposal.
Environmental Precautions	For large spills, take precautions to prevent entry into waterways, sewers, or surface waters.

Handling and Storage

Safe Handling	Avoid contact with eyes. Use good laboratory procedures.
Recommended Storage Conditions	Keep in the original packaging at the labeled temperature.
Protection against Explosion And Fires	No special measures required. Refer to the product label for additional information on storage conditions.

Exposure Controls and Personal Protection

Engineering Controls	Use in well-ventilated rooms. No special engineering controls are required.
Respiratory Protection	Under normal conditions. No respiratory protection is required of the use of this product.
Hand Protection	Impervious gloves are recommended if hand contact with the material is anticipated.
Eye Protection	Safety glasses or goggles are recommended if danger of splashes may be present.
Skin Protection	Laboratory coat or appropriate clothing is needed when working with the product.

Chemical and Physical Properties

Appearance	Liquid
Color	Colorless
Odor	Odorless
PH	7.93±0.5
Boiling Point	NA
Melting Point	NA
Flash Point	NA
Flammability	Not flammable
Auto Flammability	Not flammable
Density	NA
Solubility	Water: Miscible
	Fat: NA

Chemical and Physical Properties

Material Safety Data Sheet

Issued/Revised on 2023-08-02

Stability	Stable under normal temperatures and pressures.
Materials to Avoid	Incompatible with acids, bases and strong oxidizers.
Conditions to Avoid	None determined.
Hazardous Decomposition Products	No dangerous decomposition products known.

Toxicological Information

Toxicity Data	NA
Routes of Exposure	Skin, eyes, inhalation and ingestion
Potential Effects of	May cause irritation of the nose, throat, skin, and eyes.
Acute Exposure	
Potential Effects of	Long-term exposure may result in liver toxic.
Chronic Exposure	
Symptoms of Overexposure	Chronic overexposure may produce effects similar to acute exposure.
Carcinogenicity	This product does not contain a reportable concentration ($\geq 0.1\%$) of any ingredient listed as carcinogen by 67/548/EEC Annex I.

Ecological Information

General Notes	Do not introduce undiluted product or large quantities of it to reach surface water, water supply, or sewage system.
---------------	--

Disposal Considerations

Waste Disposal	Dispose unused product, packaging in accordance with local regulations. If unsure of the applicable requirements, contact the authorities for information.
----------------	--

Transport Information

Transportation of this product not regulated according to the definition of hazardous in 49CFR (US DOT). Transportation of this product is also not regulated by IATA, ICAO, Canadian TDG or European ADR.

Regulatory Information

SARA 313	No compounds listed.
CERCLA RG's, 40 CFR 302.4	No compounds listed.
California Proposition 65	No compounds listed.
Massachusetts MSL	No compounds listed.
New Jersey Dept. of Health RTK List	No compounds listed.
Pennsylvania RTK	No compounds listed.

EU Labeling Classification

None
